THOMAS G. BRUTON
CLERK, U.S. DISTRICT COURT

Amended Complaint TO current complaint.

- 1) I have a current complaint which I'm amending this federal tort claim Act against the U.S. Marshal and General Services Administration for Intentional Discrimination, Deliberate Indifference, Negligence, Pain And Mental Stress, Physically and Emotionally, while in custody at The Federal court house at 219 S. Dearborn Chicago IL, 60604
- 2) The Parties have violated my 8th and 14th Amendment rights of the U.S. Constitution by not providing adequate Accessible Housing knowingly while having this knowledge of accessible housing within the Federal court house (on the 10th floor). The Parties disregarded my disability not one day but day after day for 3 1/2 days cause me due harm
- 3) Mental and Physical Stress and embarrassment I was subject to while being place in a elevator and holding cells that was not handicap Accessible for my needs and disability. After many complaints my pleas And needs fell on deaf ears and I ignore to the fullest during November 11-14 of 2014 with wrongful acts shown towards myself

- 4) After many attempts and failure to accomodate accessible Housing, The Parties further more slap me in the face with out even An Apology with being Bias and prejudice towards providing Accessible housing. This showed Intentional discrimination, Deliberate Indifference, Negligence, as well as Violating my 8th And 14th Amendment rights. (5) There was no way for me to know who to contact without the parties posting throughout the Federal courts or bullpens the necessary people to notify or to Grieved about my complaint, In this Situation there should Have been better training and Guidelines to follow.
- (6) Procedures and Protocol should have been apply or in Place. Instead my Plea's were Ignore and it was the Parties attitude Do as they please unto me, I shouldn't have been mistreated, Ignore or denied fairness, these parties fouled me with the Lack of concern or care for my safety and well being.
- (7) This was truly Inhumane treatment to me or anyone by These parties being ~~treated~~ with these ill feeling. These Parties causes me not to trust or believe anyone could Be treated this way. G.S.A. rather renting, leasing or Owning, was well aware that there was a Handicap accessible Area (8) G.S.A. was deliberately Indifferent towards me by Showing Intentional discrimination for 3 1/2 days. The U.S. Marshal were Aware that the federal court house had a handicap accessible Floor and was deliberately Indifferent towards my disability By Showing Intentional discrimination while ignoring my Plea's

(9) U.S. Marshal's were negligence in my handicap for $3\frac{1}{2}$ days. These parties in no way try to Accomodate nor assist or have Compassion in anyway, how could anyone in there right mind come to a conclusion that I was not treated unfairly. The Viewing of camera would show other wise.

(10) I was subject to "Cruel and unusual Punishment, Intentional Discrimination, neglect, denial, Deliberate Indifference, Pain and Mental suffering, embarrassment including being ridicule while Having my 8th and 14th Amendment rights being violated!"

(11) How can the Parties say No Harm, No Foul to my Plea's. These parties fail to treat me in the fashion of respect with There wrongful acts towards me and whatever there Policy and Procedure are. These parties were aware that modification were needed for the disable but ignore them and my Handicap for my time at and use of the Federal court house During my $3\frac{1}{2}$ days.
